APPOINTMENT OF VALUER

The Institution has received several complaints from valuers that clients generally come and request a valuer to evaluate their properties. The valuer undertakes the job and does the needful. But in several cases the client does not turn up as he tries to blackmail the valuer to get the valuation to his liking and goes to some other valuer if he finds that he could not get a favourable valuation from the former. In some cases the client even forgoes the advance paid by him.

Appreciating the difficulties experienced by the valuers and to streamline the valuation work, the Council of the Institution of Valuers has suggested in their meeting held on 29th March, 1969, a proforma to be got filled in and signed by the clients when they approach the valuer for entrusting the valuation work to him.

It is suggested that an appointment letter should be obtained from the client in triplicate before starting the work, a copy of which may be forwarded to the authority concerned where the required valuation is proposed to be filed. Such appointment letter would eliminate the clients chance of changing the valuer at will. A specimens copy of the proforma for appointment of a valuer is given hereunder:
